Sainsbury's boss 'sorry' for singing

SAINSBURY'S boss, Mike Coupe, has apologised after being caught on camera singing: "We're in the money".

He was filmed singing the words to the show tune as he was waiting to be interviewed for ITV News.

It was one of a round of dozens of interviews to explain details of the planned tie-up with Asda, the company's biggest deal to date.

Mr Coupe has pledged it will bring no job losses or store closures, but some fear there will come at some point.

Suppliers are also concerned they will suffer from the tie-up.

Mr Coupe says customers will benefit by seeing prices fall by an average of 10% – something suppliers say are likely to come at the cost of their own profit margins.

The song, *We're in the Money*, is from the musical *42nd Street*.

RBS to shut 162 branches

ROYAL Bank of Scotland is to close 162 further branches across England and Wales, with the loss of around 792 jobs.

The bank, which has previously blamed falling branch business and growing numbers of digital banking customers for shutting sites in recent years, said the move this time largely reflected its decision not to sell its Williams & Glyn business.

The plans will leave the group with just 105 RBS sites in England and Wales as it looks to build its Natwest brand.

MIDWEEK Sport

THE sinking *Daily Star* has always played second fiddle to the sizzling *Sport* when it comes to birds – but this is absolutely ridiculous!

Yesterday, readers of the wafer-thin rag got a picture of a big parrot plucking a fish from a pond splashed across the centre pages!

Two whole pages of an old trout!

Maybe when short-changed *Star* readers desperately asked for "more birds", this is what the puddled bosses at the advert-choked paper thought they meant!

The *Star* has recently been taken over by the duller-than-ditchwater-on-a-Monday-morning *Daily Mirror*.

And the dismal lefties in charge of the *Mirror* think bare boobs are more evil than ISIS!

So things will only get worse for the poor, put-upon *Star* readership who will be force fed a dreary diet of stories about women's TV shows and pictures of clouds.

But don't despair,

Boob are out... fish & feathers are in!

because there is a very simple solution!

For a **GUARANTEED** fix of big boobs – including **MASSIVE** snaps of topless babes such as Anastasia Harris and Cat O'Connell (pictured) on the centre spread – get your *Midweek Sport* on a Wednesday and Thursday, *Weekend Sport* on Friday and Saturday and *Sunday Sport*, which is on sale Sunday, Monday and Tuesday.

Brit mauled by lion is okay...

HOW DID HE SURVIVE THAT?

LUCKY TO BE ALIVE: Mike in hospital

A BRITISH pensioner has survived a LION ATTACK, despite being bitten on the NECK by the ferocious beast.

Mike Hodge, 67, was savagely mauled by a lion in front of screaming onlookers when the wildlife park owner entered the lion's enclosure.

The gruesome attack was caught on camera and despite suffering injuries to his neck and jaw, Mike has been pictured smiling in hospital.

A friend of British expat Mike revealed: "Mike and one of his rangers were a little concerned about a smell in a compound that was upsetting one of the lions and had gone in through the gate to see what was causing it."

However, things quickly turned dangerous when a lion went for Mike.

Tourists screamed as they saw him being dragged along the ground.

at Mike, who goes limp in its grip before the animal drags him further into the enclosure and behind some bushes.

Then a loud shot sees the lion drop Mike and run for cover.

Marakele Predator Park in South Africa was established in 2010 by Mike and his wife Chrissy.

The park is thought to have put down the lion.

£1m Lotto win cheer for nurses

A SYNDICATE of 15 hospital nurses are celebrating after scooping £1m in the National Lottery.

The group, from Cleland Hospital in Motherwell, each pocketed more than £66,666 after matching a Euromillions UK Millionaire Maker code.

They've been playing together for three years – with their previous biggest win being £12.

Between them, they plan to splash the cash on trips to Canada, Sri Lanka, cruises, new cars and a motorbike.

June Fraser, 58, who checked the tickets each week, said she had used the National Lottery app to check them on Saturday morning.

She said: "I scanned the first one and it wasn't a winner – I actually thought that was the ticket for Friday night's draw and very nearly didn't scan the second one as I thought it was for a future draw."

"When I did and it told me that we'd won £1m I thought the app must be broken – I couldn't believe it."

ARSON ATTACK KIDS 'MURDERED'

FOUR children were murdered after being trapped in their bedrooms when their house was deliberately torched with petrol bombs, a court heard.

Zak Bolland, 23, launched the attack after being involved in a feud with the victims' 16-year-old brother Kyle Pearson, Manchester Crown Court was told.

The four siblings, aged 3-15, were killed in the blaze in Walkden, Salford

on December 11, 2017.

Bolland, Courtney Brierley and David Worrall deny four counts of murder.

It's alleged Worrall and Bolland threw two petrol bombs – one of them blocking the only exit and trapping the victims.

Demi Pearson, 15, her brother, Brandon, aged eight, and sister, Lacie, aged seven, sleeping in a front bedroom, all died in the blaze.

Their mother, Michelle

Pearson, 35, was rescued along with her youngest daughter, Lia, aged three, who died in hospital two days later.

Bolland has admitted reckless arson, a charge his girlfriend Brierley, 20, and Worrall, 26, both deny.

All three also deny three counts of attempted murder relating to Michelle Pearson, Kyle Pearson and Bobby Harris.

The trial continues.

GEORDIE Shore beauty Chloe Ferry went under the knife this week to boost her BOOBS – after being TROLLED about having a 'saggy' chest.

The 22-year-old's operation was revealed by her boyfriend and fellow co-star Sam Gowland, 22, who took to Twitter to share his excitement at his girlfriend's brand new norks.

Sam said: "Can't wait to see ya boobs tomorrow after you've had them done, ya good looking little f**ker."

becca@sundaysport.co.uk

Cruel

Chloe has already spent a reported £50k on cosmetic surgery and previously spoke about wanting a boob job after cruel online comments.

She previously said: "I had a boob uplift last year as I was insecure about them. I used to think I had the best boobs ever, until people commented on my pics saying, 'Your boobs are saggy'."

But even after the uplift I still wasn't

happy. When I first got with Sam I was really self-conscious about getting my boobs out.

"I've always wanted my chest done properly and slightly bigger will look really nice."

"The summer is just around the corner, I've got holidays coming up, and I can't wait to be able to look amazing in a bikini."

As well as having a boob job, Chloe is also undergoing a second nose job.

MARTINE: I TONGUED HUGH

ACTRESS Martine McCutcheon says she'd NEVER kick former co-star Hugh Grant out of BED.

Martine, 41, starred alongside Hugh, 57, in hit 2003 movie *Love Actually*, when their on-screen characters shared a smooch.

She played a Downing Street employee in the classic rom-com who fell in love with the prime Minister (Grant).

Martine said: "The director asked us to use tongues – which of course I did. It took us about 12 takes to get it right."

"He could be 10 stone bigger and I still wouldn't kick him out of bed!"

Andie naked on screen at last aged 60

ACTRESS Andie MacDowell turned 60 last week but she's recently filmed her first ever NUDE scene.

She made a name for herself in the 80's and 90's, appearing in *Four Weddings and a Funeral* and *Groundhog Day*.

Now Andie is getting her kit off in upcoming film *Love After Love* and says she loved it.

Yank stunna Andie "felt comfortable" in her birthday suit – and director Russell Harbaugh couldn't take his eyes off her.

She said: "I took my clothes off in front of him and said, 'What do you think?' He kept saying, 'You are so beautiful'. It made me calm."

"Although there is nudity throughout the whole film, it's done in such an artistic way that it makes the story that much richer."

"Nudity in this film feels human. It's shown as being part of life."

Andie plays Suzanne in *Love After Love*, a drama about a mother moving on after the death of her partner.

Ben Frow, director of programmes at Channel 5, said: "He will be sorely missed and we wish him all the very best for the future."

The 26-year-old babe (above) shot to fame on *The Only Way is Essex* and her former agent was desperate for her to go topless in the lads' magazines.

She said: "He said to me, 'Once you get your tits out, Lucy, we can start making some real money. Just admit defeat – you'll be nothing more than the front page of a lads' mag'."

"He actually said that to me and I said, 'See you later, mate'. I'd love to bump into him now."

After quitting *TOWIE* in 2013, Lucy has built a multi-million pound fitness, fashion and property empire which has seen her set herself up for life.

Lucy added: "I work bloody hard and I've had to fight to be taken seriously."

"I didn't want to be known as this dumb Essex girl, I wanted to prove people wrong."

CORONATION Street star Connor McIntyre, who plays evil Pat Phelan, has been nominated for Best Actor and Villain of the Year for the 20th British Soap Awards.

Bookies have already made the Scouse actor the favourite to win both awards after his stint as the murderous builder on the Manchester soap.

Coronation Street, **Doctors**, **EastEnders**, **Emmerdale** and **Hollyoaks** have all been nominated for Best British Soap.

The ceremony will take place at The Hackney Empire in London in June and will be broadcast live for the first time on ITV.

A DOCTOR smacked a trainee nurse's bottom and grabbed another by her private parts on a hospital A&E unit, a tribunal heard.

Dr Srikishen Parthasarathy, 44, bent down and cupped the woman's private parts in his hands as she was squatting to look at medical documents, it was claimed.

He also repeatedly grabbed her mobile phone out of her pocket to check if she had any "rude pictures", it was said at the Medical Practitioners Tribunal Service in Manchester.

The other nursing assistant claimed the doctor tried to grab her breasts, slapped her on the bottom and asked: "Do you swallow?"

The first woman, known as Colleague A, later took six months off work from Conquest Hospital in Hastings, East Sussex.

Arrogant

She finally reported Parthasarathy to her bosses after finding out the other assistant, Colleague B, claimed similar experiences.

Colleague A told the hearing: "I got on with him in a work setting, but I did find him personally to be boorish and arrogant. He acted like a prat sometimes."

The alleged encounters took place between September 2013 and May 2016, beginning shortly after the

consultant – originally from Bangalore, India – was assigned to work at the hospital.

Colleague A, who is in her forties, told the tribunal: "I didn't say anything, I was in shock."

"After I finished what I was doing I left straight away, I just wanted to get out of there."

"I didn't want to be around him. It was highly inappropriate."

"He often tried to get my phone out of my pocket. He always asked if I had rude pictures."

Parthasarathy, from Hove, East Sussex, denies sexually motivated misconduct and refutes claims of improper touching.

The hearing continues.

A BUTCHER was told by police to take down saucy signs – even though nobody complained about them.

One of Pete Lymer's boards on the pavement outside his high street shop bragged 'Ladies a few big fresh cock chickens still available'.

Other signs talked about 'big breasted birds' and 'hungry horny sausages'.

Pete, of Leek in Staffordshire, chalked the sales pitches on

blackboards and placed them outside J W Ash and Son's traditional butcher's shop to entice people inside to size up his stuffing and buy his king-size sausages and huge hams.

But it wasn't long before police advised him to 'give careful consideration' to what was displayed for the public to goggle at.

A spokesman for Staffordshire Police admitted: "We've received no complaints about the

signage. However, following a recent media enquiry, the local Chief Inspector for the Moorlands did advise the owner to give careful consideration to what was written on the boards in case anyone took offence. No other action has been taken."

Pete, who said it was 'just a bit of harmless fun', said: "I don't want to upset anyone. From now on I'm just going to be a bit cautious."

"Times have changed."

Variations on Little Man – Wee Man, Mr Little, Tiny – were popular, as well as traditional people names like Percy and Fred.

Other popular pet names that didn't quite make the Top 10 include Thomas the Tank Engine, Boris, Postman Pat, Sherlock, Chewbacca, Willy Wonka, ET, and Elvis.

Town's striker faces sex rap

MACCLESFIELD striker Tyrone Marsh has appeared in court to face two charges of sexual assault.

It is claimed the alleged incidents took place in the Cheshire town on the same day in August last year.

Local Marsh, 24, spoke only to confirm his name, date of birth, and address when he appeared before Stockport magistrates.

He did not enter a plea and will next appear at Chester Crown Court on May 25.

Marsh has become a fans' favourite and was part of the side which saw the Silkmen return to the Football League for the first time since they were relegated in 2012.

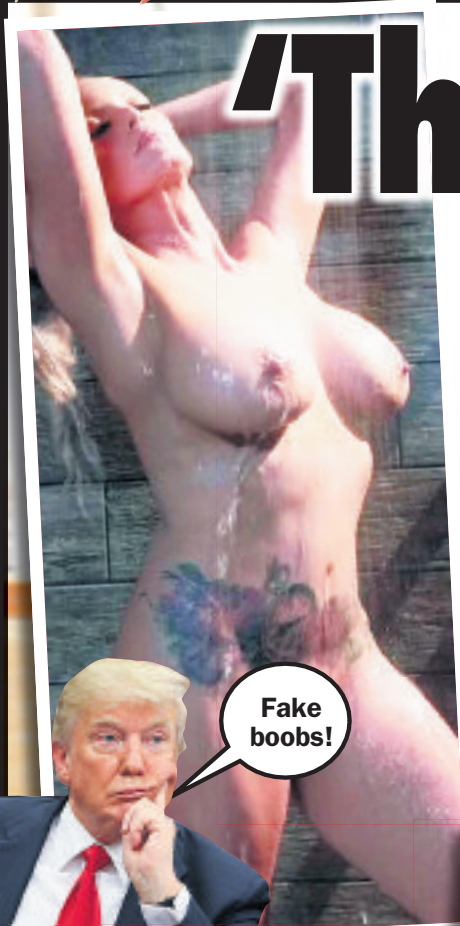

He has played a pivotal role in the club's title winning season, scoring nine goals in his 41 appearances.

His final goal of the campaign, against Eastleigh, on April 21, helped his side stretch clear of their nearest rivals to finish the season as National League champs.

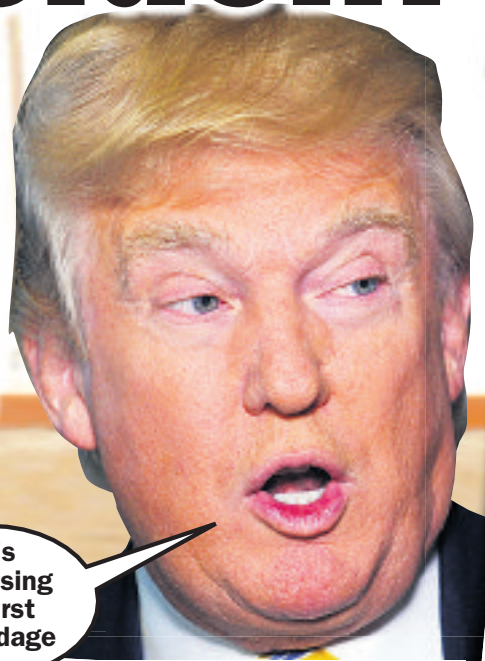

WHITE HOUSE DENIES TRUMP WATCHED

'The President see it going in...'

Fake boobs!

By BECCA STUBBS becca@sundaysport.co.uk

PORN star Stormy Daniels has a new skinflick out and Donald Trump can't stop watching it!

Stormy, 39, claims she had an affair with the US President after meeting him at a celebrity golf tournament in 2006.

She reportedly got jiggy with 71-year-old Trump numerous times and in January claims emerged that Trump's lawyer, Michael Cohen, paid her £93,000 to keep quiet about their affair.

Since the affair claims went public, Stormy – real name Stephanie Clifford – has been the most searched actress on online adult websites.

And her new hardcore movie may cement the blonde bombshell's position as the most famous porn star in the world at the moment.

It's titled *Stormy's Secret* and reports White House insiders claim the President has been watching it.

The movie also stars porn actor Keiran Lee and Stormy writhes around in delight as she sucks his cock and shags him to messy completion.

Shooting

Not surprisingly, White House officials have denied Trump's been watching the flick.

A spokesman said: "President Trump has absolutely not been watching Stormy Daniels' new film – this is fake news."

"He did not see it going in and will not ever see it going in. Once again this is a fake news story by the media."

It's widely thought the new film is just a taster of what's to come from Stormy and one fan tweeted the star asking if *Stormy's Secret* will be the 'first of many in 2018'.

She replied: "I'm not sure how much my schedule will allow me for shooting but hopefully I get to shoot some fun stuff."

As part of Stormy's ongoing legal battle with Cohen, the lawyer's office, hotel room and home were raided by the FBI earlier this month.

Agents were seeking documentation relating to Cohen's payment to Daniels in return for her silence over her alleged sexual relationship with Trump.

Evan happy to go naked for Hopkins

HOLLYWOOD hottie Evan Rachel Wood says that going naked is normal and doesn't even bat an eyelid when she shows Anthony Hopkins her MINGE!

Rachel (above), 30, stars alongside the Welsh Hannibal Lecter legend in HBO series *Westworld* – in which robots act out fantasies for paying guests at a space age amusement park.

And a lot of Evan's acting is done nude.

But the ex of oddball rocker Marilyn Manson says that stripping bare is just another day at the office for her.

She said: "It's not even weird anymore. We've all been naked so often that it's just normal."

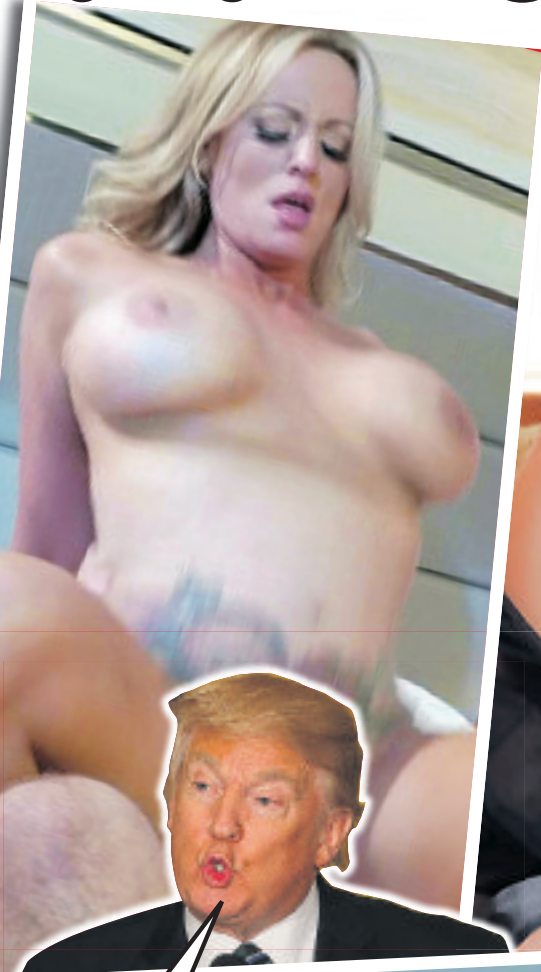

"I show up to work and say, 'OK, I'm naked in a lab. And Anthony Hopkins is here. It's so surreal there isn't even time to be stressed."

Evan has starred in her fair share of "unconventional" roles in her career.

She explained: "I've never wanted to go down the road everyone else was going down. The darker roles are what people tend to remember."

North Korea leader has a secret portaloo in his limo

NORTH Korean leader Kim Jong-un's motor has its own TOILET, it is claimed.

A defector who served on the North Korean Guard Command says Kim takes a secret loo everywhere he goes, as a security measure to keep foreign intelligence spooks from collecting any poo to determine the state of his health.

He said that regardless of whether his entourage is travelling by train, limo or plane, one of the vehicles always has a built-in toilet for Kim's private use.

A source said: "There are multiple vehicles within the convoy so that people cannot tell which one he is in, and there is a separate car that acts as his restroom."

Sanctions

Kim visited South Korea last week in a parade of armoured Mercedes Benz limousines.

Analysts aren't even sure where he got the cars from, let alone how they are equipped, as UN sanctions prevent the North Korean

Former U.S. Secret Service agent Dan Bongino told newsmen that he witnessed over 50 heads of state being transported during his time protecting presidents and never heard of something like a 'limousine lavatory'.

Bongino said: "If true, it really speaks to the paranoia of the North Korean regime."

Another insider revealed: "Being scared about the state of your shit is pretty rare stuff, I suppose."

Speaking on ITV2 show *Celebrity Juice*, Maya was asked whether she sent nude pics to pals before Stormzy.

She said: "Well yeah, not now, but at the beginning stages. That is what girls do when you first start seeing someone. "You send it to your friends to approve."

"At the beginning stages, not when you've been together for ages."

Madonna, 59, released a coffee-table style sex book in 1992 and now 37-year-old Kim is set to follow in her footsteps.

She's been hinting at what might be in the book with a series of naked photos released on social media over the last couple of weeks.

However, Kim's naked photo book will be for 40-year-old hubby Kanye's eyes only.

She plans to gift it to him to mark their fourth wedding anniversary.

"If I could marry one, I would!

"I'm not really worried but sometimes I do wonder if twice a day might be a bit excessive.

"I can't help myself though. As soon as I get through the front door I'm upstairs, the knickers are off and the vibe comes out.

"It's a daily ritual! I can spend literally hours just playing with my toys."

STUDENT BLACKMAILED 26 WOMEN INTO SEX ACTS ONLINE

**COURTS
SPECIAL**

SICKO:
Probert
did it for
his own
pleasure

He told cops: 'I know, it's terrible'

A STUDENT blackmailed more than two dozen women into performing sex acts via the internet for his sick pleasure.

Joshua Probert had become a porn addict and after using various devious tactics to get his victims to send him intimate photographs of themselves he then resorted to "sextortion".

Depraved

One of his 26 victims – from England, Scotland, Wales, the USA, France, Belgium and the Netherlands – described it as "cyber rape" and when eventually interviewed by police he admitted: "I know, it's terrible."

Probert ignored desperate pleas from his distressed victims – 11 of them under 16 – to delete images and videos in which he had ordered them to perform depraved sex acts.

These include abusing themselves with items such as hairbrushes, tooth brushes, a vibrator, a pen and even a toilet brush.

By **LYNDA ROUGHLEY**
news@sundaysport.co.uk

One had to write the word "slut" in lipstick on her chest and two victims were made to insert a toothbrush in their anus and then brush their teeth with it.

A woman in the USA had been forced to use the toilet, lick the seat and place her head into the toilet while Probert was seen on screen masturbating.

Probert, now 22, who also used Skype, threatened to distribute the images directly to family and friends or distribute them on social media such as Facebook so they would "do your bidding," said Judge Woodhall at Liverpool Crown Court.

He handed down a sentence 12 years' jail after Probert, of Grimsby, had pleaded guilty to 86 offences involving blackmail, making indecent images and causing victims to engage in sexual activity between January 2014 and November last year.

Caitlyn finds love again!

REALITY telly star Caitlyn Jenner has found love with transgender student Sophia Hutchins – and now reportedly wants to tie the knot with her younger lover.

Caitlyn, 68, was wed three times as Bruce Jenner before she transitioned in 2015.

But she's now said to have found love again with the 21-year-old.

A source said she can't wait to marry her new lover, adding: "Cait sees herself spending the rest of her life with Sophia."

"She lost her support system when she fell out with her family and these days it feels like Sophia's the only person she can count on."

Sophia turned to Caitlyn and credits her for giving her the courage to make her own transition from male to female.

SQUASHED ANT: Scarlett's sex snub for troubled star

The boobs TV star won't see as Scarlett rules out EVER shagging him

By **BECCA STUBBS**
becca@sundaysport.co.uk

TROUBLED Ant McPartlin has been hit by more heartache after *Saturday Night Takeaway* co-star Scarlett Moffatt said she'd NEVER let him slip her length.

The 42-year-old TV star is just out of rehab for being a drunk and pals are hoping this latest setback doesn't send him over the edge.

Geordie babe Scarlett's statement means drink-driver Ant may never get to see her lovely knockers in the flesh.

Asked whether she's getting a portion of Ant's man meat, 27-year-old Scarlett said: "Ant is like my big brother."

Tough

"It's so ludicrous it doesn't even warrant a response."

A pal of Ant's said: "Ant's having a tough time, so it's a blow to be told he'll never get to motorboat Scarlett's boobs."

"He'd probably be happy with a bit of hand stuff, to be honest. "But if she says he can't slip her his love sausage, then there's nothing he can do about it."

OAP Sting:
I still feel horny at 68

VETERAN pop star Sting shows no signs of slowing down as he confessed that he still feels HORNY.

Sting – real name Gordon Sumner – is now 68 but reckons he's still in tip-top shape and has just as many urges as he did in his heyday.

He's recently given his body an assessment and still keeps up his intense fitness regime which sees him going swimming daily.

The Geordie warbler said: "I seem to be in pretty good shape. I swim every day and I go to spin class."

"I'm not looking forward to death but accepting mortality makes you richer."

"What really matters is that I still feel horny."

He's long been known for practicing tantra and enjoying long sessions of yoga.

Sting and his wife Trudie Styler, 64, reportedly enjoyed an eight-hour shagging session thanks to stamina gained through his yoga and tantra.

Drunk had four-inch chopstick inside cock

A MAN who claims his friend inserted an entire chopstick into his knob "for fun" while they were "blind drunk" had the object removed in hospital.

The 42-year-old patient sought medical help in Vietnam's southern Dong Nai Province after complaining of difficulty urinating and pain in his penis.

Dr Tran Phuong, of the Saigon-Dong Nai ITO Hospital, said the chopstick had been shoved so deep into the organ that its tip was about 1.18 inches from the urethral opening.

The doctor added that the entire chopstick measured four inches long.

It was able to be pushed out of the front end of the patient's urethra by him, without the need for surgery.

Dr Tran said the patient did not require an overnight stay and was discharged on the same day.

CALUM'S BESTIES!

By BECCA STUBBS

becca@sundaysport.co.uk

NOTORIOUS playboy Calum Best has had his fair share of actresses, glamour models and reality stars – and now he's got another one drooling over him.

Stephanie Davis, 25, is currently on a fitness and health bootcamp in Marbella with a whole host of famous faces, including 37-year-old Calum.

Despite being surrounded by muscly hunks, Steph only has eyes for Calum and has been gushing over his inked-up body on her social media.

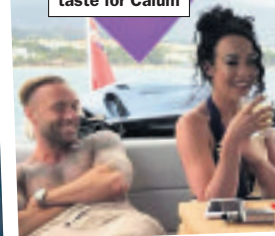

In one snap of Calum coming out of the swimming pool, she branded him 'my husband' and captioned it 'this is for the girls I know, u will appreciate this as much as me'.

Her constant comments have sparked rumours of yet another romance, but sources insist there's nothing going on between the two.

However, it wouldn't be the first time Calum's got frisky with a celebrity babe, here's three pages of his hottest ever bonks...

BIANCA GASCOIGNE (2006)

THESE two young lovebirds met and fell for each other when they appeared on *Celebrity Love Island* in 2006.

Bianca, 31, described Calum as her 'dream man' and the pair were crowned joint winners of the reality show.

REBECCA LOOS (2005)

BEFORE he found love with Bianca in *Celebrity Love Island*, he was romancing Rebecca, 40, and the pair sparked rumours they'd shagged when they locked themselves in a toilet.

KIM KARDASHIAN (2004)

REALITY A-lister Kim, 37, reportedly had a secret relationship with Calum years before she became famous after the pair met in their younger days when they both lived in Miami.

**SARAH
HARDING
(2005)**

CALUM famously boasted they spent three days in bed together and he said Sarah, 36, was one of the wildest girls he's ever been with, branding their short romance 'eight months of madness'.

JODIE MARSH (2005)

INKED-UP model Jodie, 39, is long rumoured to have had a fling with Calum when they were both in their party days – but neither have confirmed it.

LINDSAY LOHAN (2007)

ARGUABLY his most high-profile relationship was with actress Lindsay, 31, back in 2007, but they split as she was reportedly battling alcohol problems.

**NATALIE
DENNING (2004)**

MODEL Natalie, 34, confessed to enjoying a sizzling fling with Calum – until he stood her up to shag a lapdancer. She said of their romance: "Our sex life was fast and furious, just how I like it."

RACHEL HUNTER (2007)

JUST weeks after he was spotted cuddling Rod Stewart's daughter Kimberly, Calum scored again by locking lips with his ex-wife Rachel, 48, at a Playboy Mansion party.

SWEDISH stunna Victoria, 43, was papped in a taxi with Calum back in 2003 and it's no surprise he was taken with her eye-popping curves.

JAYNE MIDDLEMISS (2006)

CELEBRITY Love Island eventually saw him leave with Bianca Gascoigne, but not before he'd flirted with every other woman on the show, including 47-year-old Jayne.

Avengers fans crushed in death panic!

FILMGOERS feared for their lives after a visit to *The Avengers* when a preacher got up to the front of the theatre and started mentioning DEATH.

Witness Susie Arias said: "I think when he said, 'If you were to die tonight, would your passage to heaven be guaranteed?' ...that's when people started panicking."

At least two people were injured as a worried crowd tried to escape the theatre.

One woman was hospitalised after hitting her head and a man was seen limping in footage taken in the cinema's foyer.

The crowd wasn't about to take any chances after tragedies in recent years.

In 2012, 12 people were killed during a screening of *The Dark Knight Rises* at a theatre in Colorado.

And in 2015, two women were shot and killed at a showing of Amy Schumer's comedy *Trainwreck*.

GEORDIE Shore babe Sophie Kasael looks sensational as she struts her stuff on her Turkish holiday.

Stunna Sophie, 28, showed off her fit form after her incredible weight loss – dropping two stone over the past few months.

Sophie squeezed her ample assets into a racy red swimsuit which had a cut-out panel underneath her sweater-stretchers.

She flaunted a whopping amount of underboob, sideboob and a peachy derrière for the camera, which just happened to be in the right place at the right time.

SCARLETT JOHANSSON: 'I FLASHED MY MINGE ON A PLANE'

BOG
ROLE:
Stunning
Scarlett

By BECCA STUBBS becca@sundaysport.co.uk

HOLLYWOOD hottie Scarlett Johansson revealed she once flashed her FANNY on a plane packed full of passengers.

Scarlett, 33, is currently starring as superhero Black Widow in the hit movie *Avengers: Infinity War* but she's not as cool and collected outside the blockbuster.

The stunning beauty was appearing alongside her co-stars on the *Jimmy Kimmel Show* when she made the flashing confession.

Recalling an embarrassing incident on board an aeroplane, Scarlett said she forgot to lock the toilet door and

left herself exposed thousands of feet up in the air.

She explained: "I was using the bathroom in the plane, as one does, and I guess I didn't lock the door. It happens, occasionally."

"I don't know. I thought I did. I went to grab the toilet paper and my entire vagina was played out – yes, I said vagina! Deal with it!"

"The guy opens the door, he looks down, and he's like, 'Uh...oh! Oh!' I was like, 'Close the goddamn door!'"

Records

"And then I had to open the door and walk past the entire cabin of people that had all just heard me."

"They were like, 'Oh, it was Scarlett who was screaming and it was her vagina!'"

After telling the tale, which left Scarlett red-faced, the audience burst into laughter.

The latest instalment of the popular Marvel franchise hit screens last week to huge acclaim.

It smashed box office records by making an estimated £475million on its opening weekend.

Hoarder's body in rubbish pile

AN hoarder missing up to four years ago in her clutter-filled home was only found after her daughter died in the house, an inquest heard.

Reclusive Gaynor Jones, 83, was found badly decomposed in the isolated countryside home she shared with her daughter.

The cottage was searched when Valerie Jones, 56, was found collapsed.

She was taken to hospital from the home in Aberaeron, Ceredigion, mid Wales, but it wasn't until seven days later that police found human bones buried under a mountain of rubbish.

The inquest was adjourned for another date.

Fanny place to keep a gun!

A WOMAN found with a loaded gun inside her FANNY has been charged with possession of a firearm and drug dealing.

Anika Witt, 27, admitted the charges as part of a plea deal that requires her to testify at trial against an acquaintance who was arrested with her last year.

She was facing up to 10 years in prison on the gun charge and 15 years in jail for heroin possession.

But her cooperation will likely result in a greatly reduced term when she appears in court in Missouri.

As part of Witt's plea deal, prosecutors agreed to drop four other charges.

He's seen thrusting into the bark for 30 seconds before swiftly pulling up his pants, picking up his camera and carrying on his hike.

His bare bum is seen in the video while the man continuously penetrates the large tree, believed to be an oak.

Oh poo! Loo camera perv films HIMSELF

A PERVERT setting up a spy camera in a Portaloos accidentally filmed HIMSELF.

Pennsylvania cops say a voyeur placed a tiny camera behind the paper dispenser inside a portable toilet on a construction site near Johnstown.

The camera recorded several unsuspecting victims before a worker discovered the hidden device.

A review of the footage showed Kenneth Haluska, 59, installing the device.

Haluska, wearing a white construction helmet and a green safety vest, is seen in a still from the seized video.

The engineering inspector had been at the construction site on the day the camera was found, according to a criminal complaint.

A detective identified three victims who were recorded inside the portable loo.

Haluska (above), who has been charged in connection with the surreptitious filming, is due to appear in court on May 24.

Horror as dog brings head home

A GRISLY discovery was reported to police when a woman's dog brought home a human skull.

Cops responded to a "distressed resident" who called them on Saturday.

Detectives began an investigation of the property and of the surrounding area in an effort to determine if there were other human remains nearby, but so far they have come up with nothing else.

One source said: "It's one thing having your dog come home with a stick in its mouth, or maybe even a string of sausages.

"But dropping a human head is a whole different ball game."

Anyone who happened to be in the area of Mohave Valley, Arizona, last week and has info is encouraged to contact the sheriff's office.

Crude

Another fan called 'sle100173' commented on TV presenter Holly's recent photo: "up the bum no harm done don't tell mum."

He clearly fancied himself as a bit of a poet, as his crude bum fun suggestion to the pair of pals rhymed.

Holly's photo of

By BECCA STUBBS

herself walking hand in hand with Nicole amassed a whopping 265 comments – but one fan mistook the babe for a PORN STAR.

Calling himself 'imearilytoschool', the eager to please fella wrote underneath the snap: "Pretty sure I saw you in porn once."

Holly is set for a huge career boost as she's set to launch her new lifestyle website 'Truly' in Autumn this year.

IT'S BIG MOUTH BILLY BASH!

Man battered with a singing fish toy

By COLIN HURST news@sundaysport.co.uk

A MAN was arrested after twatting his boyfriend in the head with a Big Mouth Billy Bass, the novelty singing fish that croons: "Don't worry, be happy."

Police had been called to a home in connection with a reported domestic abuse.

They found Larry Timmerman with a cut on his head, an injury the victim said was caused by the fish toy being wielded by Gregory Carney, 54.

In interviews with Timmerman and Carney, cops determined that the men – who have been partners for 17 years – had been rowing earlier in the day.

Aggravate

At one point, Carney went into their cellar and began playing with his singing fish.

Timmerman said that Carney "continued doing this just to aggravate him".

After enduring several Big Mouth Billy Bass turns Timmerman, 52, "removed the singing fish from the room and placed it in the bin".

Carney then fished the singing fish from the garbage and threw it at Timmerman, striking him in the head.

He is due in court

CHARGED: Carney

later this month on a domestic abuse charge.

The Big Mouth Billy Bass performs excerpts from the songs "Don't Worry, Be Happy" and "Take Me to the River."

It's not known if police confiscated the fish.

Stalker wanted to make friends

A MAN who stalked his neighbours claims he did it "to make friends".

A man called cops after his next-door neighbour, Robert Ciborek, 67, came onto his property, turned on a water tap and placed blocks under his car.

The man said Ciborek once turned up in a mask to peer through windows.

Ciborek admitted that he went onto the property in West Palm Beach, Florida, "to water the lawn" and was only going to there "to make friends".

He is charged with stalking and burglary.

Big pizza dough for Domino's man

DOMINO'S paid out £150,000 to a former employee who was injured transporting 400lbs of cheese into one of the chain's pizza restaurants.

Mohamed Hassan, 55, was unloading boxes of cheese from a truck on a rainy day in June 2016, when his trolley slipped under the weight of the food.

It landed on Hassan after he fell injuring his ankle, knee and back.

His lawyer in Connecticut successfully sued on his behalf to win the bumper payout.

CUTIE Claudia Dean looked sensational in her sexy white underwear set, which she bought specially for this shoot.

Claudia, from Twickenham, London, flaunted her 32DD norks as she paraded her jaw-dropping curves in a set of kinky white lingerie.

Clad in stockings, suspenders and a sexy white thong, the 24-year-old stunna told us exactly what kind of man she wants.

She said: "I'd never rule a man out based on his looks alone. I like guys who are a little rough around the edges – and I'm very partial to a good beard at the moment."

Despite her trim and toned body, trained ballet dancer Claudia reckons she's quite the foodie and loves going to American burger joints.

Brunette babe Claudia added: "I'm just a huge foodie. I love it where they pile loads on the plate."

A TOP politician has been nicked on multiple prostitution-related charges after authorities said he housed and fed a couple in exchange for bonking the man's wife twice a week.

Nick Nicholson, 71, was charged with operating a location for the purpose of lewdness, assignation or prostitution and buying services from a person engaged in prostitution.

The charges followed an alleged domestic dispute in February between Kendel Surette, 33, and Valerie Surette, 30, who were living at Nicholson's home.

Kendel Surette told police that Nicholson had housed and fed the couple for six months and in exchange he had sex with his wife on Tuesdays and Saturdays.

He paid the Surettes £75 every Tuesday and £150 every Saturday.

He also told officers

£1m virgin falls for rich client

A STUDENT who auctioned her VIRGINITY online has reportedly fallen for the businessman who bought her for sex.

Jasmine, 20, from Paris, sold her first time through Cinderella Escorts for a whopping £1million to a Wall Street banker.

Despite getting flak online for selling her virginity, Jasmine (above) said: "Most people would exchange a million for their first time if they could turn back time."

"I am happy that I sold my virginity and I met the client already."

"I was a bit nervous, but I really liked him. He was a real gentleman and looked after me well."

"We are going to date each other again. It is too early to talk about love yet and we'll see what will happen in the future."

"I am happy that I was lucky with the man who bought my virginity. He is smart, successful and I like older men."

"Maybe we'll travel the world together."

Cops seize man seen karate kicking swans

A MAN arrested after he was caught attacking swans told cops he was "practising karate".

Rocco Mantella, 34, was described by eyewitnesses as chasing swans round Eola Bay Park in Orlando, Florida.

One claimed Mantella high-kicked a swan in its backside, before performing a jump kick on two pheasants' skulls "as hard as possible".

Police arrested Mantella as he was resting on a park bench.

Mantella (above) is being held in the Orange County Jail on charges of cruelty to animals and is due in court next week.

Babe's treat for motorists

JOY RIDE: Topless show gave drivers the horn

By WENDY THOMAS
news@sundaysport.co.uk

A TOPLESS woman shocked motorists when she clambered out of her car window and flashed her BOOBS.

The brunette babe was filmed as she wound down the back window of the grey car on the motorway.

She then hung out of the back seat and gave male drivers the horn as she showed off her ample sweater-stretchers.

As part of her topless display, she lifted up her black vest top and was clearly ready for the flashing parade as she didn't have a bra on underneath her top.

She's seen wearing a baseball cap and, at one point, grabs her bare norks and jiggles them up and down.

After appearing out of the window, she's seen dancing up and down and waving to other drivers on the American highway.

Although the woman is unknown, it's clear she is more than happy with her impressive pair of boobs.

And we reckon she boasts quite the rack!

Serial flasher strikes again

A FLASHER repeatedly accused of exposing himself at restaurants and bars broke his curfew just days after appearing in court.

Alvaro Pena-Yepes, 71, has been arrested at least 12 times since 2012 – predominantly for lewd acts in public.

He was arrested again while still on bail for a previous incident in which he was allegedly caught exposing himself and masturbating at Duffy's Sports Bar in Altamonte Springs, Florida.

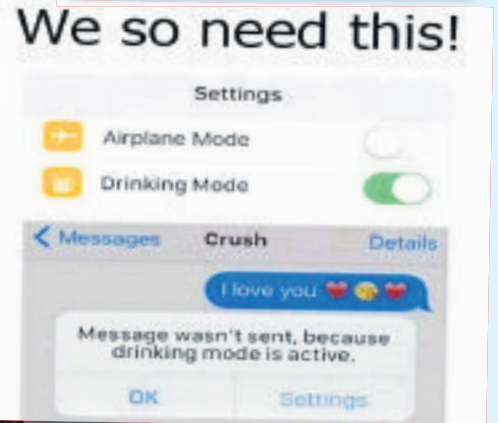

On at least one occasion, Pena-Yepes was allegedly already drunk when he arrived at a bar and was heard making lewd remarks toward a female bartender.

One night he was reportedly also hospitalised for alcohol poisoning.

Doctors have blamed Pena-Yepes' behaviour on a series of strokes and dementia and say there is "no expectation that he will show any significant improvement in his condition".

Gun nutter nicked over pussy hair

A BLOKE shot at his flatmate following a row over CAT HAIR.

Craig Allen Tull told police that Christopher Schaffner did not clean up after his cat when it left hair all over the couch.

He said he ordered Schaffner to leave the house, but he refused – at which point he shoved Schaffner.

Schaffner told cops he was sitting at his computer in the living room when Tull got his gun from his bedroom and pointed it at him, firing a round in his direction but not hitting him.

Schaffner said Tull grabbed his car keys from his belt before jabbing the gun into his rib cage, causing minor bruising.

Crime scene cops found bullet holes in a wooden cabinet that were consistent with the silver Taurus Judge revolver in the home.

Police arrested Tull, who now faces charges of aggravated assault with a deadly weapon without intent to kill.

A STUDENT hid a camera inside a sponge to film his female flatmates while they showered.

Three friends were at the apartment that they shared with Rico Aulaputra, 27 (above), when one of them noticed a green flashing light coming from a yellow sponge on the floor of the bathroom.

The women then found a small camera with an SD card in it, which had been inserted into a slit in the sponge.

Outside Wollongong Court in Australia's New South Wales, Aulaputra said: "Give me privacy... I'm so embarrassed."

PLAYBOY model Lindsay Pelas posed completely NAKED and flaunted her jaw-dropping CURVES in a brand new coffee table book.

And the book, published by Tulum, is

sure to give any hot-blooded male a much needed pick-me-up.

In it, Lindsey, 26, poses up a storm and flaunts her all-natural 30H sweater-stretchers.

By COLIN HURST news@sundaysport.co.uk

A BILLIONAIRE dubbed the 'King of Instagram' is reportedly suing a bikini model for WANKING his DOG during a photo shoot.

Tony Toutouni, 42, claims stunning model Deyana Mounira, 27, aroused his gigantic dog 'Hef' before she played with the hound's genitals.

The businessman allegedly told Mounira he didn't want the videos or photos from the day posted online but they appeared on her social media days later.

Mounira hit back by insisting it was Toutouni who was sexually harassing her and encouraging his dog to 'f*k her'.

She claims she was verbally and sexually harassed by Toutouni during the shoot and also claims he groped her while trying to get her into his room.

Sexual

The model told celebrity news website TMZ: "I want the entertainment industry and the public in general to be aware of people like Tony who want to use you in every way they can including, but not limited to, sexual and inappropriate acts."

But Toutouni accused the model of using him to "gain followers".

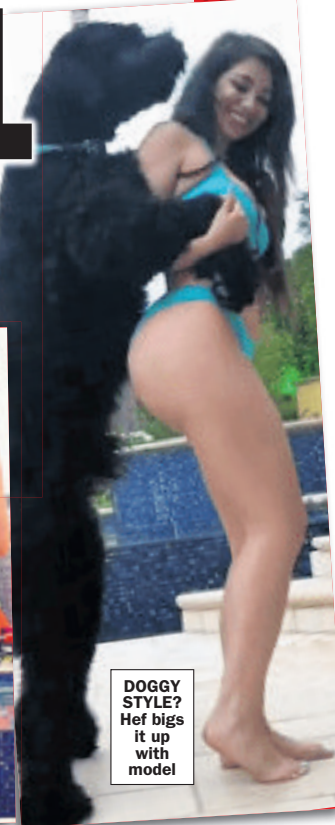

And he told TMZ that Mounira 'began sensually playing with Hef, arousing Hef by playing with his genitals'.

Social media mogul Toutouni is now suing Mounira for fraud and infliction of emotional stress – on him, not the dog – and wants around £1million in damages.

The billionaire has amassed over 1.5million followers on his social media account by showcasing his flashy lifestyle – including pictures of fast cars, private jets and scantily-clad women.

A ROW over toenails turned into a scrap and a trip to jail for a 20-year-old woman,

Police arrested Damayra Morales Santos on an assault charge after the April 10 incident.

Her boyfriend told police an argument started "regarding him spitting his nails on the floor".

The boyfriend said he went outside, and Morales Santos followed him and started hitting him.

She said the argument stemmed from her boyfriend "picking his toe nails and throwing them on the floor".

Morales Santos said he did things like just to annoy her.

She said he also called her a swear word in Spanish.

"All your family is retarded," Morales Santos quoted her boyfriend as saying.

Police in Palm Springs, Florida, say Morales Santos hit and bit her boyfriend.

She was charged with assault and hauled off to the nick.

**Crackhead 'had corpse in shed'**

A MAN was held by police after inviting people to his house to view the body of a dead woman.

Angelo Dante Beckford, 40, had told friends he "wanted to show them inside a shed" in his back yard. The guests went to police in St Petersburg, Florida, and reported what they had seen.

Cops arrested him after a brief chase and launched a murder probe. The identity of the woman is not known.

They said they caught the 40-year-old convicted criminal and said he had drugs on him. They nicked him on an initial charge of possession of crack.

TEACHER IS 'BLACKMAILED' BY TEEN PUPIL SHE SHAGGED**But SHE faces charges of underage sex**

A TEACHER who went to the police to report a student BLACKMAILING her is now facing charges after admitting SHAGGING the same pupil.

Sarah Conway, 24, faces four counts of sexual battery and a third-degree felony after she turned herself in to cops in Eaton Township, Ohio.

The teacher had gone to the Sheriff's Office to file a complaint against a teenage student who she claimed was blackmailing her and

By WENDY THOMAS
news@sundaysport.co.uk

threatening to share naked photos of her.

Conway told authorities that the student stole her phone, accessed her photos, sent the photos to his phone and then began sending her text messages.

Eventually, according to Conway, she started to reply to the messages and the two began a relationship when he was just 17.

However, the student told police

that Conway had told him she liked him and, after exchanging phone numbers, began texting.

He claimed that, after a week or two, their text messages began turning sexual and investigators uncovered transcripts.

Explicit

They discovered that Conway and the student talked about their sexual relationship, living together and how they would communicate if they went to jail.

The conversations at times were very explicit, with Conway and the

student making sexual references to each other, according to the report.

Deputies also interviewed the student's mother, who said Conway had come to their Elyria home but she was unaware of a relationship.

Police said Conway's claims of blackmail were investigated, but no charges are expected to be filed against the student at this time.

Charges against Conway have been filed and a preliminary hearing set for May 11.

Willow Creek Positive Education Program have since taken steps to remove Conway from her post.

Solo sex wins global 'yes' vote

Sara Knight says...

WOMEN are sexual and it doesn't surprise me that more of us are using vibrators – they have me cumming in minutes!

Susie Sutherland says...

IT says a lot about the men that the sexual satisfaction is lower than the women who use sex toys – they need to up their game!

A BRAND new survey has uncovered the intriguing SEX HABITS of women from every corner of the world.

Sex toy firm Smile Makers wanted to get to the bottom of bedroom habits from a group of international women to uncover their sexual preferences.

The company found differences, and sometimes similarities, between the world's women and their preferences when it comes to what gets them off between the sheets.

Around 67 per cent of females down under said they enjoyed masturbating, with 56% of them using a vibrator during their solo sessions.

In the Northern Hemisphere, 58% of women have played with themselves – with 47% using a sex toy to help them achieve a big 'O'.

In comparison to European countries, Australians masturbate more than women in Belgium but less than the Swiss.

Swiss women loved using a vibrator during their pleasure sessions and 60% admitted to using them.

Satisfied

Around 54% of French fillies used sex toys during masturbation and a slightly smaller percentage (53%) of Belgian woman use one.

However, it seems females in Australia reckon they are more sexually satisfied in the bedroom, with 58% saying they are more than happy with their sex lives.

Women in the UK were less inclined to say they were satisfied with their sex lives, with only 41% saying they were happy.

Meanwhile, countries like Singapore, Taiwan, Malaysia and Hong Kong were more sexually adventurous than the

rest of the world seemed to be.

Asian women scored the highest when asked about masturbation and feeling completely satisfied by their partners.

Mattias Hulting, who owns Smile Makers, said countries are more similar than they are different.

He said: "In general, the majority of adult women are either using, or open to using, a vibrator."

"Before we did these surveys, we almost assumed more conservative places like Malaysia or Hong Kong would have a significantly lower percentage of women who masturbate or use a vibrator."

"But it's not the case, it's more unpredictable than that. For example, far fewer French or Belgian women are open to using vibrators than in Taiwan or Hong Kong."

We asked three *Sport* stunnas what they thought of the worldly findings...

Adventure babes put girl-on-girl to thrill test

By BECCA STUBBS becca@sundaysport.co.uk

NEW research reveals more and more woman are experimenting with GIRL-ON-GIRL action between the sheets.

According to the Archives of Sexual Behaviour, 25 per cent of women who have had same-sex sexual experiences consider themselves to be straight.

The new study quizzed more than 24,000 undergraduate students, a time where young people dip their toes into sexual experiments.

Of the 24,000, a quarter of women had had sexual experiences with another women, with snogging to shagging included in that.

Despite having a lesbian love-in, they all still considered themselves to be straight, rather than gay or bisexual.

The study found there are two main reasons why people decide to have a night of passion with the same sex.

Experimentation was one reason, with young people especially wanting to try something new.

Another reason is known as 'performative bisexuality' – which happens when women enjoy sexual contact with other women because of the attention that it gets them.

Arousal

They also enjoy it because of the arousal it provokes in others and it's said to be more about reaction than the actual act, which is why people don't consider themselves to be gay or bi.

The study's co-author, Arielle Kuperberg, explained: "Not everybody who has same-sex relationships is secretly gay."

"There was a big disconnect between what people said their sexual orientation was and what their actions were."

Sport babe Caitlyn Klass admitted: "I've had a lesbian experience but still consider myself straight, it's just a different kind of sex."

"My first girl-on-girl shag was during a threesome. I was giving the fella a blowjob and she gave me the best oral sex of my life."

"The two of us later had sex all night and I loved the taste of her."

"She knows exactly how to pleasure a woman and I know what turns her on, but I couldn't give up the cock for life."

"I love playing around with women but I'll always be more attracted to men."

"I'll never say goodbye to sex with a real cock!"

guy yet who will allow himself to be totally helpless – I think they find me intimidating!

"But they're missing out."

"I love to wear black knee high leather boots, leather shorts with a zip off crotch and not much else."

"Really slowly, I would strip off in front of him and watch him get hard."

"I would do things to tease him and turn him on – like caressing my boobs."

"But I would hold off from touching him."

"Then I would take out my whip, and ask him if he likes it rough."

"I'd kiss, stroke or lick all of his erogenous zones – like his neck, nipples and stomach."

"Then stop as he thinks I'm going to touch his cock, until he's literally begging to be inside me."

"He would keep begging...so I'd shut him up with a ball gag."

"Eventually I'd get on top of him and keep stopping and starting just as he's close to climaxing."

"When I finally do let him have it, he comes so hard it leaves him almost whimpering after it's over."

THE WORLD FAMOUS AGONY Page

Dear Sam,

THE other week I pulled the barmaid in my local. She's 21, with a massive pair of knockers on her, and I'm in good shape at 47. We went back to her place and shagged in every position possible. She loved to suck me off and let me spunk all over 34DDs. Luckily, the wife was away that night so she's none the wiser. I've shagged her twice since then. The last time was in the back of my car. It was brilliant doing it doggy-style. Afterwards she said that as a reward for my efforts I could shag her and her mate next time. The problem is, I think I'm becoming addicted to having sex with this bird as my wife lost interest in it years ago. I fear that I'll end up doing something stupid like leaving my wife and four kids for this woman. Do you think I should end this affair now or do I live for the moment and just throw caution to the wind?

JT, Essex

Sam says...

END IT NOW. You are aware that you're playing with fire, so quit while you're ahead, you old fool!

Dear Sam,

I WAS in my garden the other week soaking up some rays when my new neighbours looked over the fence. They're a pair of blonde bombshells in their early twenties. They only moved in recently and they asked me round for a few beers. They were both wearing bikinis and after we'd had a few they both went topless. By this time I was up for f**king the pair of them and when they started kissing each other's tits I led them inside and invited them to suck my cock. They both took it in turns until I shot my load. We then went upstairs and I boned one of them from behind while she licked her mate out. Now they want to make it a regular thing, but my landlord has just told me that my rent is going up by £50 a week. I can't really afford it but I want to keep on shagging them. What should I do?

JW, Manchester

Sam says...

FIND THE money. It must be every man's dream – two blondes who want sex with you.

Big-boobed beauties were chest amazing!

Dear Sam,

I WAS in a bar a few weeks ago when these two tasty women came in.

One was blonde and the other had dark hair. But what really attracted me was their tits.

They were massive. I got chatting to them but couldn't take my eyes off their awesome boobs.

They seemed to be enjoying the attention and after the bar closed they agreed to come back to my place.

I wasted little time and got their tits out straight away.

I was sucking and playing with both pairs and was soon rock-hard.

They gave me a blowjob and

let me climax all over their boobs.

I've seen them a couple of times at my place since and the last time we met they put on a lesbo show for me.

Then they took it in turns to sit on my knob and ride me hard with their giant boobs bouncing in front of my face.

They have now asked to move in with me, but I'm not sure. They are both on the dole and skint.

What should I do?

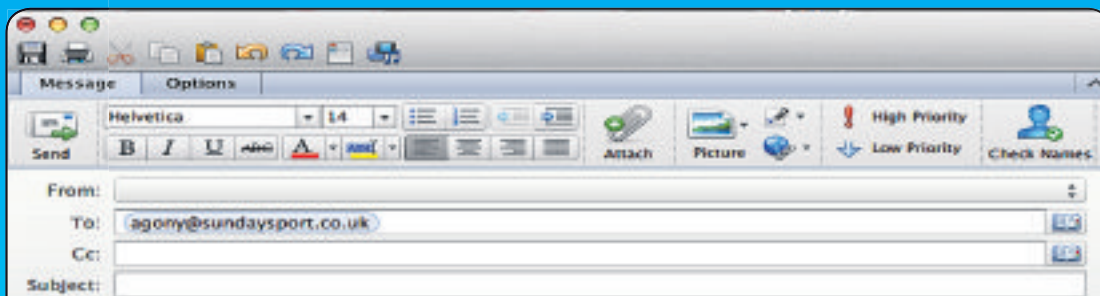

GH, Edinburgh

Sam says...

IT would be breast not to let them. They'll milk you dry – not just from your ballbag, either!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Horny 'auntie' gave me a birthday treat

Dear Sam,

ON my 18th birthday we had a small party at our house for family and friends.

I'd given up my bed so people could stay over and I'd stripped off ready to climb into a sleeping bag in the front room.

But hearing the door open, I looked round to see my "auntie" standing in the doorway.

I call her "auntie" but she's actually a family friend who I've known from being a lad.

She's in her late thirties but she looks at least 10 years younger and I admit I have often fantasised about her.

Moaned

She said she couldn't sleep and she poured a large brandy, although I could tell she'd already had quite a lot to drink.

She poured me one too and we sat on the sofa together.

I put my hand on her leg and she didn't complain, even when I slid up to touch her fanny.

She moaned gently and I lifted her top so I could suck on her nipples.

She was close to climaxing as she threw her head back and peeled off her nightie completely.

She parted her thighs ready for me to enter her and I was delighted to hear

her urging me to f**k her long and hard.

I whipped out my pork sword and she tugged it until it was rock hard. I needed little invitation to plunge it into her moist hole with some abandon.

After a short while she squealed in delight as she orgasmed.

Later she confessed that her husband, who hadn't been able to make the party, rarely made love to her.

Since then I have been shagging my "auntie" at every opportunity.

But I've got a girlfriend and I don't want to lose her.

What should I do?

DB, Cornwall

Sam says...

YOU'VE both had your fun. Tell her that there's no future in it and I'm sure she'll see sense.

Dear Sam,

MY girlfriend is a raving nympho and I'm finding it tough to keep up with her.

I work hard as a motor mechanic and as soon as I walk in the door she's there, exposing her shaven fanny.

She won't even let me take my boots off before she's got my dick out, playing with it until it's rock-hard.

It's sex, sex and more sex all evening until eventually, at something like 2am, she falls asleep and I finally get some peace.

I'm always shattered. What can I do to satisfy her insatiable desire?

HD, north London

Sam says...

STOP complaining and get on with it.

Dear Sam,

I'VE just come back from my holidays in America and I have to say that my wife and I managed to join the Mile High Club with a bonk in the bogs.

It wasn't easy getting past the eagle-eyed cabin staff, who are obviously very security conscious during these dangerous days.

I mean, a couple loudly going at it in the airborne crapper is enough to turn anybody into a nervous, jibbering wreck if they don't like flying.

However, we managed to sneak off from our seats when the staff were busy doing the drinks service and find a vacant water closet at the rear of the plane.

When I got my girl in there it only took me a minute or two to pull down her knickers and start giving her one doggy-style in the cramped space.

The problem is I was worried I was taking too long and that we would get caught, so I made a mental image of your gorgeous boobs and I came straight away.

I did feel a bit disloyal to the missus, but I was on my holidays after all.

SH, east Midlands

Sam says...

YOU get sky-high marks for cheek. I'm very flattered and glad to have been a help!

Three-mendous fun with wife and pal

Dear Sam,

MY new girlfriend is a cracker. She's blonde, with a fantastic figure and lovely tits.

On our first date she willingly sucked me off and on our second I knobbed her doggy-style on the back seat of my car.

It was fantastic watching my 10-incher sliding in and out of her glistening fanny.

Just as I was about to explode, I pulled out and spunked in her mouth.

Since then we have shagged almost every day. And the last time she dressed as a nurse and asked me to tie her up and f**k her up the arse.

As I was dressed as a doctor at the time, I told her to brace herself and take her medicine.

Afterwards we were chatting and she said that she would like to have a threesome with me and her best mate.

Her mate is really fit so I was quick to agree. The night is now just a blur, there was so much f**king and sucking.

At one point I was boning my bird from behind while she was licking her pal out.

In fact, I was shattered at the end of the sessions, given I'd shagged both of them twice.

The only problem is that my girlfriend now wants to have a threesome with me and my best mate. I'm not comfortable with the idea.

What should I do?

GF, Cardiff

Sam says...

I THINK it's only fair because you've had your threesome fun. But if you really feel uncomfortable about it, don't do it.

RACHEL COLE

BRICKIE Martin Brentwood wrote in begging to see a snap of his favourite glamour girl – Rachel Cole.

Martin, 38, from Hull, reckons it's 27-year-old Rachel's girl-next-door looks which get him all hot and bothered.

However, we reckon it might be more to do with the Basingstoke beauty's willingness to strip off and flaunt her amazing 32C norks.

He said: "I love Rachel – she's such an innocent looking babe.

"But I'd turn her into a real randy devil between the sheets!"

Here's a pic of the blonde beauty just for you, Martin!

CLAIRE THORNTON

CURVY Claire Thornton is coffee shop worker Travis Kingsley's ideal woman and he'd love to serve up his very own hot milk to the stunna.

Travis, 46, from Margate, Kent, is still waiting for his dream woman Claire, 33, to walk through the doors of his workplace.

He said: "She only lives down the road in Canterbury!

"Although if she walked in with her 34E boobs popping out, I don't think I'd be able to help myself!"

ELLA MAI

CHEF Oli Grattan dreams of whipping up a three-course meal for topless beauty Ella Mai and would happily devour her for dessert.

Oli, 42, from St. Albans, fancies the pants off 26-year-old Bedford babe – and her 30E bare boobs – and he'd love to serve up the beauty his finest dishes.

He said: "I reckon she'd be putty in my hands when I serve her my specialities – calamari for starter followed by a nice steak and all the trimmings.

"There wouldn't be a dessert because I'd devour Ella given half the chance!"

#CAM GIRL OF THE WEEK

By BECCA STUBBS becca@sundaysport.co.uk

TATTOOED babe Amelia Fox gave a sneak preview of just what she has in store for Babestation fans this week.

The 23-year-old posed up a storm in her sizzling photo shoot and flaunted her enviable 32D boobs in the brand new saucy snaps.

Brighton-born Amelia wore a pair of black knickers and teamed them with a pair of sheer black stockings.

She then whipped off her panties and bent down on all fours as she paraded her peachy derriere and her collection of body art.

Action

Amelia said: "I'm proud of my body and enjoy showing off my curves – fellas don't seem to complain, either!"

"I love performing on Babestation and, if you really want to find out what I'm like, you need to log on and watch me in action."

Inked-up hottie Amelia stripped nude for this X-rated shoot – but she may flash even MORE flesh when she appears on Babestation.

If Amelia has created a stir in your trousers, log on to Babestation to catch her and a whole HOST of other babes stripping off.

Tyson: I will teach Joshua a lesson

FURY BACK AND DESPERATE TO FIGHT BRIT FOR WORLD TITLES

TYSON Fury says he's coming back to take Anthony Joshua's world titles.

The former heavyweight champion is returning to the ring for the first time since beating Wladimir Klitschko in November 2015.

He held the WBA, IBF and WBO titles that Joshua has since taken.

Fury will be back in June for a massive fight at the Manchester Arena — we just don't know who that will be against yet.

But he is looking to get in

By REG CARPENTER

the ring with Joshua as quickly as he can.

Fury said: "Of course I can beat him — I wouldn't be sat here today. I'd be off in Spain drinking a sangria somewhere."

"Of course I think I have the ability, I just think I have too much movement and natural boxing skill to lose to somebody like that."

"He's very tough and strong and he has a lot of learned ability but he doesn't have the natural gift of the sweet science."

"I'm very proud of what

he's done, he's achieved a lot in the sport and he's an inspiration to young people coming through."

"But hold on to the throne because I'll be taking it back."

"Everyone in heavyweight boxing know who the real champion is."

Cracker

The focus of British boxing this weekend is firmly on Liverpool where David Haye and Tony Bellew clash 14 months after the Scouser came out on top.

Haye ruptured his Achilles during that fight and has

vowed to put the result right on Saturday night.

He said: "I know we are both going to be better versions of what we were in the last fight, and the last fight was a cracker — everyone enjoyed it, apart from me."

"I'm going to do what I tried to do last time and failed miserably, and you guys are going to unfortunately see the end of Tony Bellew."

The home fighter lapped that up before replying: "In Saturday, it comes to an end, it really does."

"For the first time in your whole career you are actu-

ally fighting for your very career."

"You're in a lot of trouble on Saturday."

"David is not back to win world titles, he's back to try to rob the bank and he's trying to do it with as little risk as possible."

"The mistake he made is picking this little fat cruiserweight Scouser with a mouth, because he thought it was an easy fight."

"On Saturday night David gets his arse smacked and put back in his box."

"Saturday is time to go to war, and your career ends in a beat."

WASTEFUL: Root

Misfiring Root in a ton of trouble

CRICKET

JOE Root is desperate to start scoring big tons for England this summer.

The skipper had plenty of starts in the winter Ashes tour down under — but his conversion rate from fifties to hundreds is very poor.

That's something he wants to put right against Pakistan when the Test series kicks off at the end of this month.

Root said: "I want to set the example and lead from the front."

"And you do that by making some really big scores."

"I've not managed to get on this winter and get beyond 70 or 80."

"That's a big driver for me, once I get in go and get big scores that win games."

"You don't just contribute to a total, you really set a benchmark."

"You look around the world at guys like Steve Smith, Kane Williamson and Virat Kohli."

"Whenever they've taken over the captaincy, they've gone to another level."

Consistent

"I don't see why I should be any different. I can see it as a real good motivator."

Root has not turned any of his last nine Test fifties into a hundred, including seven against the Aussies this winter.

He knows that stat must change — and quickly.

Root said: "I've been very consistent in keeping putting myself in those positions where I'm 50 or 60 not out."

"If I can continue to do that, I know I'm a good player and am capable of making big scores against the best teams in the world."

"On my own standards, I probably didn't have the winter I'd like. But that doesn't stop me being any more ambitious."

"I'll go into the summer with high hopes of making some really big scores and for us to have a strong summer in Test, one-day and Twenty20 cricket."

"It might just be that there's one innings where I get a little bit of luck and go from strength to strength."

"I'm trying not to think too much about it. I think England are a side on the up this summer."

THE WINNING POST

Study has the answers

ONE horse that I need no encouragement to back is TIME TO STUDY (NAP).

Mark Johnston's likeable four-year-old was just denied on season debut after he handed the leader an easy 10 length lead.

He's always looked like a horse that would get better with age and he should give as good as he gets this year when participating in high quality races.

Stopping

As for today's assignment, it looks a winnable opportunity as he has race fitness on his side and is far less exposed than all of his rivals which gives him every chance of victory.

Ryan Moore is in the saddle and I expect him to kick for home early up the straight and ask the field a question of whether they want it or not, because he certainly does and

By **BEN MORGAN**

won't be stopping once in top gear.

The 3.45 looks a belter with many form lines knitting together. Sound And Silence looks an out and out speedball so may not be suited to six furlongs on soft ground and similar comment applies to Abel Handy.

Invincible Army was one of the top two-year-olds partly because of his size and I fear he may not have trained on so horses such as LAUGHAMIN-UTE could improve past him.

Roger Varian's horse was tried over seven furlongs on three occasions last year but didn't quite stay the trip.

When he was dropped to six furlongs in the Doncaster sales race he looked all class and travelled beautifully before putting the race to bed in a matter of strides.

He likes a bit of dig, travels sweetly, stays well and should

improve as a three year old, what's not to like?

CENTURY DREAM should come on for his comeback run at Longchamp where he finished down the field.

An improving horse on soft ground last year I expect him to continue on that upward curve this season and prove to be at least as good as Listed class.

I expect a big market move on MOUNTAIN ANGEL in the last as I think punters will latch onto his impressive form.

A three-and-a-half length defeat at the hands of Addeybb off a similar mark looks pretty good now and with top apprentice David Egan in the saddle I expect a bold showing.

BREWING UP A WIN: Albion boss Clough

Clough: We haven't gone for a Burton

BURTON boss Nigel Clough is backing his Brewers to pull off the great escape.

Albion have pulled off three wins on the spin at a crucial time in the season to give themselves a fighting chance of staying up.

Now they need to get something at play-off chasing Preston on the final day and hope Barnsley, Birmingham or Reading slip up.

Clough said: "It's going to be a game where we have to keep an eye on other results. If Bolton are going to win then we need more than a draw. Whatever Barnsley get we need better than that."

"With one game to go it is very clear that we all have hard games."

"I wish we were at home not away but I think we go to Preston in great spirits."

"We dealt with the situation very, very well against Bolton and we will have to do the same again next week."

Better

"We told the players before Bolton that whatever they did they mustn't think about the next game only what they had to do that day. Now all our thoughts concentrate on Sunday."

"It will be the usual preparation — nothing different and then we will give ourselves the best chance to get a result."

"We would have liked to have been out of the bottom three going into the last game but we only have to be out of it on the last day."

Barnsley will go down if Burton better their result at Derby County.

The Rams need to win

BARNSELEY BOSS: Morales

themselves to guarantee a play-off spot so the Tykes face a tall order.

Barnsley managed to beat Brentford last weekend and goalie Jack Walton is confident they can pull off another surprise.

He said: "We've never doubted ourselves and it's in our own hands when we go to Derby."

"We've got one more massive game — it's one more cup final and we can win it."

"If we win it, we stay up. We're confident we can do a job on Sunday."

"We had to win, there's no point results elsewhere going our way if we don't do the job ourselves."

"The lads were excellent last time, defended for their lives and we could have gone and won it with a few more goals."

"We've got a lot of character in the side and we believe together, as a team."

"We've put a performance out there for the fans for our last home game."

BIGGEST GAME OF MY LIFE

Veteran Warnock desperate to topple Reading and send Bluebirds flying into Prem

CARDIFF will be cheered on by a record crowd as they fight for promotion to the Premier League.

The Bluebirds will go up if they beat Reading at home on Sunday — whatever Fulham do in their match at Birmingham City.

All home seats have been sold meaning there will be at least 31,000 fans at the Cardiff City Stadium — even if no Royals supporter turns up.

That will beat the 29,317 league record set against Wolves last month.

There's plenty on the

By **ANDY MILLOM**

match for the visitors too with their Championship place hanging by a thread.

Cardiff manager Neil Warnock is looking for an incredible eighth promotion in his long career.

He is calling the clash with Reading the biggest game of his life.

The 69-year-old said: "It's as big a game as in my whole career."

"It's just nice that we've brought the whole club together."

"It's a really happy place. I

love to turn clubs round like we've managed here."

"The last time I experienced something like this was when I went to Sheffield United."

Focus

"It was a little bit fragmented behind the scenes and we built something there. This is very similar. It took me three years there so this has been a little bit quicker and better."

Warnock is pleased that he won't have to focus on anyone else's results on Sunday afternoon.

He said: "It's in our own

hands now and we can't ask for any more than that."

"At this stage of the season it's all about the result and nothing else."

"Everyone has kept expecting us to fall away, and we've had setbacks along the way, but this set of lads don't know when they're beaten."

"We're like a rash, we just won't go away."

"Sunday will be massive for everyone."

"I don't think it's sunk in yet what will be at stake, but both us and Fulham have got hard games because Birmingham and Reading each need a point to be safe so

they'll be scrapping for their lives."

Cardiff captain Sean Morrison is confident the Bluebirds can get over the line backed by their loud support.

Pressure

He added: "We know what a huge occasion it will be on Sunday. We need as many Cardiff fans as possible there making lots of noise."

"The pressure was on us but we always seem to find a way to bounce back. We've got to prepare and then go again for the biggest game of our lives." Reading boss Paul

Clement sounds like a desperate man heading into the lion's den.

The Royals go down if they lose and Bolton and Burton win. It would also take Birmingham to earn a point against Fulham.

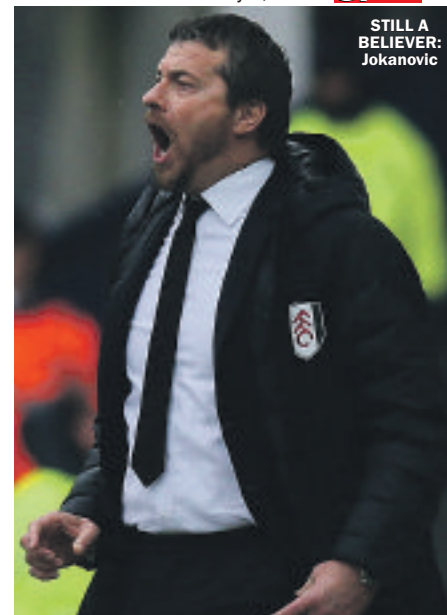

Clement said: "We've failed again to take our opportunity to deliver a performance and get the result we need to make sure we're playing at this level next season."

"We're now in a position that we wanted to avoid, which is having to go to Cardiff and get a result."

"If we don't, it's in the lap of the gods."

Slavisa backs Cottagers to bruise Blues

FULHAM boss Slavisa Jokanovic says his players have the character to hold their nerve and beat Birmingham. Victory at Blues could put the Cottagers back in the Premier League — if Cardiff fail to beat Reading.

The Serb was impressed by the way his team came from behind to beat Sunderland on Friday night. Even though the Wearsiders have been woeful all season, he believes that showed the character they need.

Jokanovic said: "It wasn't easy for us but we showed great character at the end of the first 45 minutes and especially in the second half."

"We really wanted to win the game and we took the necessary risks."

"We didn't find our best performance, but we showed great character, great confidence to change our situation, and we made a very important comeback to win these very important points for us."

Court

Jokanovic is looking forward to take on Birmingham, who still need a point to preserve their Championship place.

He said: "Now it's Cardiff's turn and we're going to wait and see if they're under some kind of pressure or not."

"The ball is in their court now."

"I've repeated many times, if they win these two games that are ahead of them, we cannot do anything."

"But we must be

BLUES BOSS: Garry Monk

comfortable and we must try to be competitive and try to win the game against Birmingham."

"It might not be enough for us, but we must be ready for the play-offs."

"If we cannot finish the short way, we must be ready to finish this job in the longest way."

Fulham would be a bit unlucky not to earn promotion should they beat Birmingham."

That would give them an impressive 91 points which has been good enough to win the title in five of the past 10 seasons.

It will be highest points total for a third-placed team since the play-offs started more than 30 years ago.

The Cottagers are on a 21-match undefeated run and will hard to beat in the knockouts should they miss out on an automatic spot.

Birmingham have lost three of their past four games and lost the return game at Craven Cottage 1-0 in December.

Roma must make history

BIG ASK:
Roma boss
Eusebio Di
Francesco

LOOKING to Liverpool's trip to Rome this evening it is worth noting that no team has ever overturned a 5-2 first-leg defeat away from home in the Champions League.

Despite their remarkable comeback against Barcelona in the quarterfinal, it is hard to make a case for Roma who are appearing in their first European semi-final for 27 years.

It is true that the Italians have kept a clean sheet in all five home games in the Champions League but they looked devoid of pace at Anfield last week and I feel Liverpool may be overpriced at 8/5 with BetVictor to win this evening's second leg.

Outsiders

Roma are also 8/5 to win the tie with the Serie A side 8/1 to qualify for Kiev next month.

Mo Salah has scored in his last five Champions League starts for Liverpool and the Egyptian is 3/4 to find the back of the net in tonight's tie.

The Reds were 6/4 to lift the Champions League ahead of last night's second leg between Real Madrid and Bayern Munich and they will be the marginal outsiders in Kiev — if they reach the final — whether they meet Real or Bayern.

NO TEAM HAS TURNED AROUND 5-2

Arsenal are 4/1 at BetVictor to win in Madrid tomorrow night against an Atletico side who must still be wondering how they got out of the Emirates with a draw from the first leg last Thursday.

Not one single point away from home in the Premier League so far in 2018 — yet I still think Arsenal can do it!

The Gunners are 9/4 to qualify for the final in Lyon later in the month and the recommendation is for Arsenal to win and both teams to score at 17/2.

Chelsea have already won in the Wanda Metropolitano this season and I just wonder whether Atleti will not know whether to stick or twist given a 0-0 draw will see them through.

Arsenal showed at Old Trafford on Sunday that their future is still bright despite their loss and I just wonder of Arsene Wenger has one last hurrah in his locker.

I hope I am not letting my heart rule my head but the Gunners are 9/4 to qualify and I think they can do it —

although they may need a strong referee in what is sure to be a hostile atmosphere.

★ The ground is likely to be soft come post time at Ascot this afternoon with rain forecast on Wednesday morning on top of ground described as good to soft at the time of writing.

Connections have dispensed with the hood that Dathanna (2.35) has worn in five of her six career starts so you would hope that the filly is not as headstrong as was the case as an early season two-year-old.

Scorer

The daughter of Dubawi has two soft ground wins to her name so underfoot conditions should not be an inconvenience.

She was backed as if she had improved from two-to-three when easily winning at Kempton last month and she can give the 3lb to Newbury two-year-old scorer Red Starlight.

The first of two Group 3 races on the card is the 2m Sagaro Stakes and conditions should be ideal for

Irish raider Torcedor (3.10) who ran a career best when runner up to Order Of St George over C&D on Champions Day back in October.

There was something clearly amiss with the selection when he was virtually pulled up at Meydan just a month ago, but soft ground suits and Jessica Harrington would not bring him over if she did not feel he was over what ailed him in Dubai.

Andrew Balding's Montaly won the Chester Cup first time out last season and is respected, as is Mark Johnston's Time To Study who looks an out-and-out stayer who found two miles around Musselburgh too sharp on his reappearance.

Invincible Army (3.45) was a juvenile I had a lot of time for last season and the form of his second to James Garfield in the Mill Reef back in September is the best form on offer.

The selection has run well with plenty of cut last term and I hope he can enhance his Commonwealth Cup claims in a terrific three-year-old sprint.

Hugo best on planet blasts Pochettino

HUGO Lloris is one of the world's best goalkeepers says his boss Mauricio Pochettino.

The Tottenham stopper was in sparkling form in the 2-0 win over Watford that cemented the Londoners' place in the top four.

Despite goals from Harry Kane and Dele Alli, Spurs were off the pace and it took some good stops from the Frenchman to make sure of the points.

It was a performance Lloris needed after some costly howlers, including in the FA Cup semi-final against Manchester United.

Pochettino was always confident that his No1 would come through the rocky patch.

He said: "I talk a lot, very well of him, the keeper with us their job is to be focused with us for 90 minutes, but to also help the team because our defensive line is higher."

Important

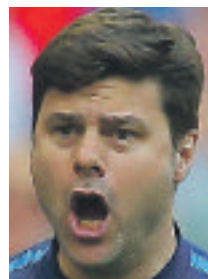

"We demand a lot from the keeper and we are so happy with all, I think we have great keepers."

Hugo is one of the best, Michel Vorm can play in any team in the Premier League and Paulo Gazzaniga is a potential great keeper.

"Of course, I think he showed he is brave, performance, quality he showed he is one of the best in the world, no doubt."

"Always it's important, a clean sheet for a keeper is so, so important."

"A big satisfaction for him, I'm happy for him and of course for the team to

HAPPY: Pochettino

beat Watford. It wasn't a great performance, we cannot be too happy with the performance during the game, but we can be happy about the three points and we keep fighting for the top four and a place in the Champions League."

The defeat left Watford still looking over their shoulder at the teams below them.

They have been on a poor run under Javi Gracia with just two draws in their past seven league games.

Hornets midfielder Etienne Capoue thinks they have enough about them to make sure they stay in the Premier League.

He said: "The result was not for us and we were not clinical and it is a big disappointment."

"We created a lot of chances."

"We are playing in the right way so we are going to score next Saturday, I feel it, we worked very hard and we are going to get a result."

HEN NIGHT IN DOUBT

Mkhitaryan must shake off knee injury to take on Atletico in second leg

HENRIKH Mkhitaryan is a major doubt for Arsenal's Europa League semi-final second leg against Atletico Madrid.

The Armenian playmaker scored the Gunners' equaliser against Manchester United at the weekend before coming off with a knee injury. At the time, it didn't look serious but Arsenal boss Arsene Wenger admits he's worried that Mkhitaryan won't be fit to play in Spain.

With the tie delicately poised at 1-1, it's a blow that the Frenchman really doesn't need.

Wenger said: "I took off Mkhitaryan because he had a little knock on his knee again, on the same knee – we could see that just looking at him in the dressing room."

"Thursday will come very quickly."

"At the moment, he is definitely not out of the Atletico fame but we'll have to monitor them."

Alex Iwobi tweaked his hamstring at Old Trafford and is another Wenger is keeping a close eye on.

He is keeping faith that Arsenal can do something no team has done since January 20 – and scored at the Mestalla, home of Atletico.

They need to because of the late Antoine Griezmann away goal at

the Emirates in a first leg the Gunners dominated.

Iwobi says the players want to give their outgoing manager his first European trophy as a parting gift.

He added: "We are really motivated – especially by what he has done for the club."

"We are trying to make him end the season on a high."

"And not just for him but for ourselves as well so we are doing our best to get the result."

"We are very confident. We were unfortunate not to get the result we wanted against them in the first leg but we are very confident and believe we can go to the final."

Score

The Nigerian knows it's touch and go whether he'll be fit to start in the Spanish capital.

He said: "I am still being assessed but to me it is good and I will be okay."

"We will have to wait and see but I believe I will be okay and fit for the match."

Arsenal legend Thierry Henry believes the Gunners will have to be at their very best to get to the final.

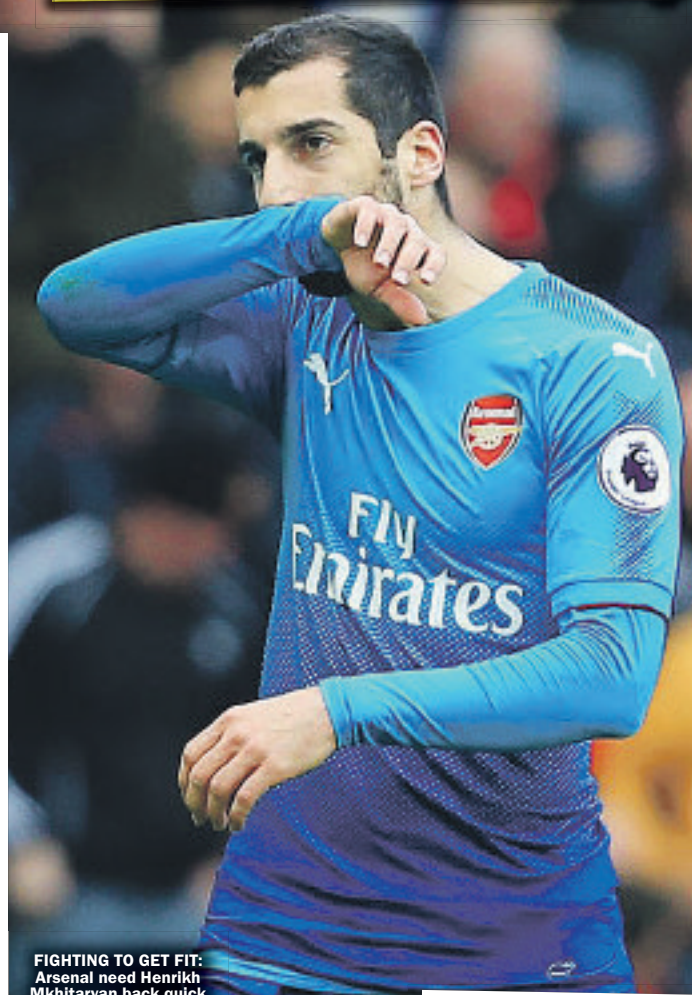

He said: "Atletico Madrid didn't concede a goal at their place in 13 home games, so it's not going to be easy. And you need to score also."

"You can be encouraged by what you saw against Manchester United but those guys, are they going to play? It's not going to be an easy one."

"Things can happen but you need to bring your A-Game and your guts – because if not, you're not going to go through."

NEW BOSS: Mancini

Mancini surprise choice for Italian job

ROBERTO Mancini has agreed to be Italy manager.

The former Manchester City boss is currently with Zenit St Petersburg.

But he has held talks with Italian FA officials and will take over at the end of the Russian season.

It's a surprise because Carlo Ancelotti was thought to be on pole position for the job.

Insiders reported that he was offered the job – but has clearly decided it was not for him.

It reignites speculation that Ancelotti is being lined up for the vacant Arsenal hotseat – or even a return to Chelsea if and when Antonio Conte leaves in the summer.

Frame

It has been claimed in Italy that the Gunners have already offered the job of succeeding Arsene Wenger to Ancelotti.

But other reports from Europe suggest current Liverpool No2 Zeljko Brusic is also in the frame – and that's why he's left Anfield so abruptly before their clash with Roma.

Those rumours saw him slashed by the bookies from 100/1 to just 4/1 for the Emirates hotseat.

The surprise favourite is current Juventus manager Max Allegri who is just 6/4 for the Arsenal job with some of the layers.

Former Barca boss Luis Enrique has drifted out to 9/1 with Ancelotti ranging from 10/1 to 3/1 as the bookies seem to know the same as everyone else – bummer all!

MURTY OUT, STEVIE ON HIS WAY

RANGERS have sacked manager Graeme Murty just three games before the end of the season.

A run of bad results – capped by a 5-0 spanking against Celtic at the weekend – and dressing room unrest has sparked the Ibrox board into action.

Liverpool legend Steven Gerrard was already being linked with the job in the summer but it's a surprise that Murty has been fired as interim boss now.

He may not leave the club and has been offered a role in the academy.

Coaches Jimmy Nicholl and Jonatan Johansson will take charge of the first team until

By **BRENDAN MACKIE**

the end of the season. A club statement said: "Graeme Murty has been relieved of his duties as manager of Rangers."

"Jimmy Nicholl and Jonatan Johansson will take charge of the team for the three remaining matches."

"Rangers are grateful to Graeme, who did not hesitate when asked last October to become interim manager after the departure of Pedro Caixinha and then, at the turn of the year, when he was offered the role as manager until the end of the season."

"Graeme has had to contend

with difficult and challenging circumstances but conducted himself in a thoroughly professional manner."

"He will take some time to consider his options, which include returning to his role at the Rangers Academy."

"Jimmy and Jonatan have already started preparing the team for the match against Kilmarnock on Saturday and they will be in place for the two remaining fixtures, against Aberdeen and Hibernian."

"The club hopes to be in a position to comment further on the managerial situation in the near future."

Speculation is growing in

Glasgow that Gerrard has accepted the Rangers hotseat, with an announcement possible by the end of this week.

He is currently in charge of the Liverpool Under-18 side but is looking for his first job in management.

Rangers director of football Mark Allen has made Gerrard his prime target. The 37-year-old has been assured transfer funds are available to strengthen what looks a poor squad this summer.

There is speculation that he may team up with another former Liverpool star – Jamie Carragher – who is suspended from his job with Sky TV after spitting at a fan.

LEAVING: Martial

Chelsea latest to court Martial

CHELSEA have joined the race for Manchester United forward Anthony Martial.

The Frenchman wants to leave Old Trafford this summer after getting fed up of Jose Mourinho dropping him all the time.

Arsenal are thought to be in the driving seat, although big names in Europe like Juventus and Paris St Germain are also interested.

Tottenham manager Mauricio Pochettino is another admirer.

Martial is still only 22 and would cost around £50million — not a massive fee in the current crazy market.

It would represent a profit for United and free up space on their wage bill for Mourinho to make summer signings.

Whoever is in charge at Stamford Bridge next season, the Blues are keen to do a deal.

Eden Hazard is still a target for Real Madrid and Chelsea will need to replace the Belgian with a proven Premier League performer.

Martial's hopes of starting in the FA Cup final have been dealt a blow by the improvement in Romelu Lukaku's fitness.

Injury

The big Belgian limped out of the 2-1 win over Arsenal at the weekend with a foot injury.

At the time, it was reported that he wasn't likely to play again this season.

But he's now had a scan that revealed the injury isn't as bad as first thought and he should be able to play some part in the final Sunday of the Premier League on May 13.

Another player thinking of his future at Old Trafford is Marouane Fellaini.

The big midfielder has been a bit-part player in the closing weeks of the season, although he did get the winner against Arsenal at the weekend.

The 30-year-old's contract runs out this summer and United have reportedly offered him a one-year extension.

He is turned that down and wants a longer-term deal.

United are reluctant to give players more than 12 months once they are the wrong side of 30.

Juventus were interested in taking Fellaini in January but their interest has cooled since.

Lallana makes shock return to Liverpool squad for Roma

ADAM Lallana has given Liverpool boss Jurgen Klopp a massive boost before the Champions League clash with AS Roma.

The England midfielder was thought to be out for the rest of the season with a hamstring injury.

But he has been to South Africa for treatment and it appears to have worked wonders.

He is not likely to start the game but is fit enough to be on the bench.

That's great news for Klopp who has just three fit midfielders in skipper Jordan Henderson, James Milner and Gini Wijnaldum.

By JOHN ANTHONY

So even a half-fit Lallana helps the Reds as they defend their 5-2 lead from an eventful first leg at Anfield.

The other major doubt for Klopp's men heading to Italy is forward Sadio Mane.

He sat out of the weekend draw with Stoke nursing a thigh problem. A place on the bench may be the best he can hope for but both Jordan Henderson and Trent Alexander-Arnold will be able to start.

Liverpool should be buzzing after Mo Salah was named as Football Writers' Player of the Year.

And there was enough boost with Roberto Firmino

putting pen to paper on a new contract extension at Anfield.

The Brazilian has been the unsung hero this season alongside Salah.

He has been instrumental in Liverpool scoring so many goals and getting to the Champions League semis.

Deals

He has knocked 27 strikes of his own and has been the driving force of the team.

Firmino has seen his basic wage upped to £180,000 a week for the next five years.

Boss Klopp has promised to tie down Mane and Salah to similar deals in the next few weeks.

The German said: "This is

one very important step, absolutely.

"But even Roberto cannot play alone. We need to carry on in this way.

"In the moment every player knows about our plans. He's the first to sign, but for sure he won't be the last.

"This constant discussion about whether he's undervalued or whatever in public, this never happened for one second either in the club or in the team.

"He knows and appreciates absolutely this club. The other boys really respect him for all the work he's doing.

"He feels completely comfortable and is planning for the long term here. That's

becoming rare because if you are not Barcelona or not Real Madrid then there's usually another club somewhere you can go to.

"It's really good news for us. He's absolutely a big factor in our future."

Klopp realises how important Firmino is to the team and has been going out of his way to big him up.

Distance

The German added: "He's a footballer, from his head to his toes.

"He enjoys playing football and he's not bothered about hard work, which is another important thing.

"Because Millie didn't play the last game from the

handy at Roma

start, Roberto had the highest distance covered. For an offensive player that is pretty rare in world football.

"I often think that, because he doesn't give himself a rest, I have to do it from time to time. That's all good and how football should be.

"You play it because you have the opportunity to make your mates better and they help you to become the best player you can be. It's as simple as that.

"I am happy to have Roberto around — he's just a good boy in the dressing room. It's perfect news."

Firmino has been warning his team-mates not to take Roma for granted in the second leg.

It would be a massive come-

back for the Italians to turn around three goals — but they did that to Barcelona in the quarter-final.

Firmino said: "Nothing is won so far.

"We have a very hard match ahead of us in the second leg.

"We have to be very intelligent and give our best on the pitch.

Trusted

"Basically, to do what we've been doing so far — which is playing very good football."

All is not perfect at Anfield though as Klopp heads to Roma without his trusted right-hand man of the past 17 years.

Zeljko Buvac is taking the rest of the season away from

the club "for personal reasons".

He has been linked with the Arsenal job but Liverpool insist that he will be back in good time for the next campaign.

He was at Saturday's game against Stoke and the club are refusing to make any further comment about Buvac's absence.

And another negative for Klopp comes from Emre Can, with the injured midfielder expected to announce his summer move to Juventus after the Roma game.

The German is out of contract at the end of the season and will pocket a huge signing-on fee for joining the Italians who are locked in a title battle with Napoli.

Salah scoops second player of year gong

MO SALAH has edged out Kevin De Bruyne to win the Football Writers' Player of the Year.

The Liverpool striker had already won the PFA award and topped the Belgian by around 20 votes.

Harry Kane came third behind the Egyptian who is the first African player to win the honour which was first handed over in 1948.

Football Writers' Association chairman Patrick Barclay said: "It has been the tightest call since 1968/69, when there was a dead heat between Tony Book of Manchester City and Derby's Dave Mackay.

"Right up to the last week or so we thought it might happen again, so strong was the support for Kevin De Bruyne.

Class

"But Mo Salah's relentless match-winning form, exemplified by his two great goals against Roma, seems to have swung the vote by a very narrow margin.

"What a race it has been between two players who, in a short time, have reached genuine world class, but Mo Salah is the worthiest of winners.

"He is the first African to receive the award and we congratulate him on a magnificent season."

Other players to receive votes were: Sergio Agüero (Man City), Christian Eriksen (Tottenham), Roberto Firmino (Liverpool), Nick Pope (Burnley), David Silva (Manchester City), Raheem Sterling (Manchester City) and Jan Vertonghen (Spurs).
